Turkey is a land of truly timeless appeal. The Aegean and Mediterranean coasts of Turkey offer visitors a vast array of sights and flavours, and staggeringly clear blue seas. From deeply forested hills to luxurious sandy bays with turquoise waters, and from pine-clad islands to vibrant, multi-coloured harbour towns, you'll discover lesser-travelled waters and quiet, relaxed anchorages in this corner of the Aegean and Mediterranean seas.

Our luxury yacht “Carpe Diem Xi” charters take place along the southwestern coast, cruising between the Turkish towns of Bodrum and Göcek. For those keen to cruise onwards, head to Greek islands nearby to explore and experience the culture and history of these two wonderful countries.
